OUR PROJECTS

—

Project - 'Eira'

A curated project involving 20 customized furniture pieces, thoughtfully designed to align with the space's aesthetic. From material selection to final detailing, each piece was crafted to achieve a seamless and cohesive design language.

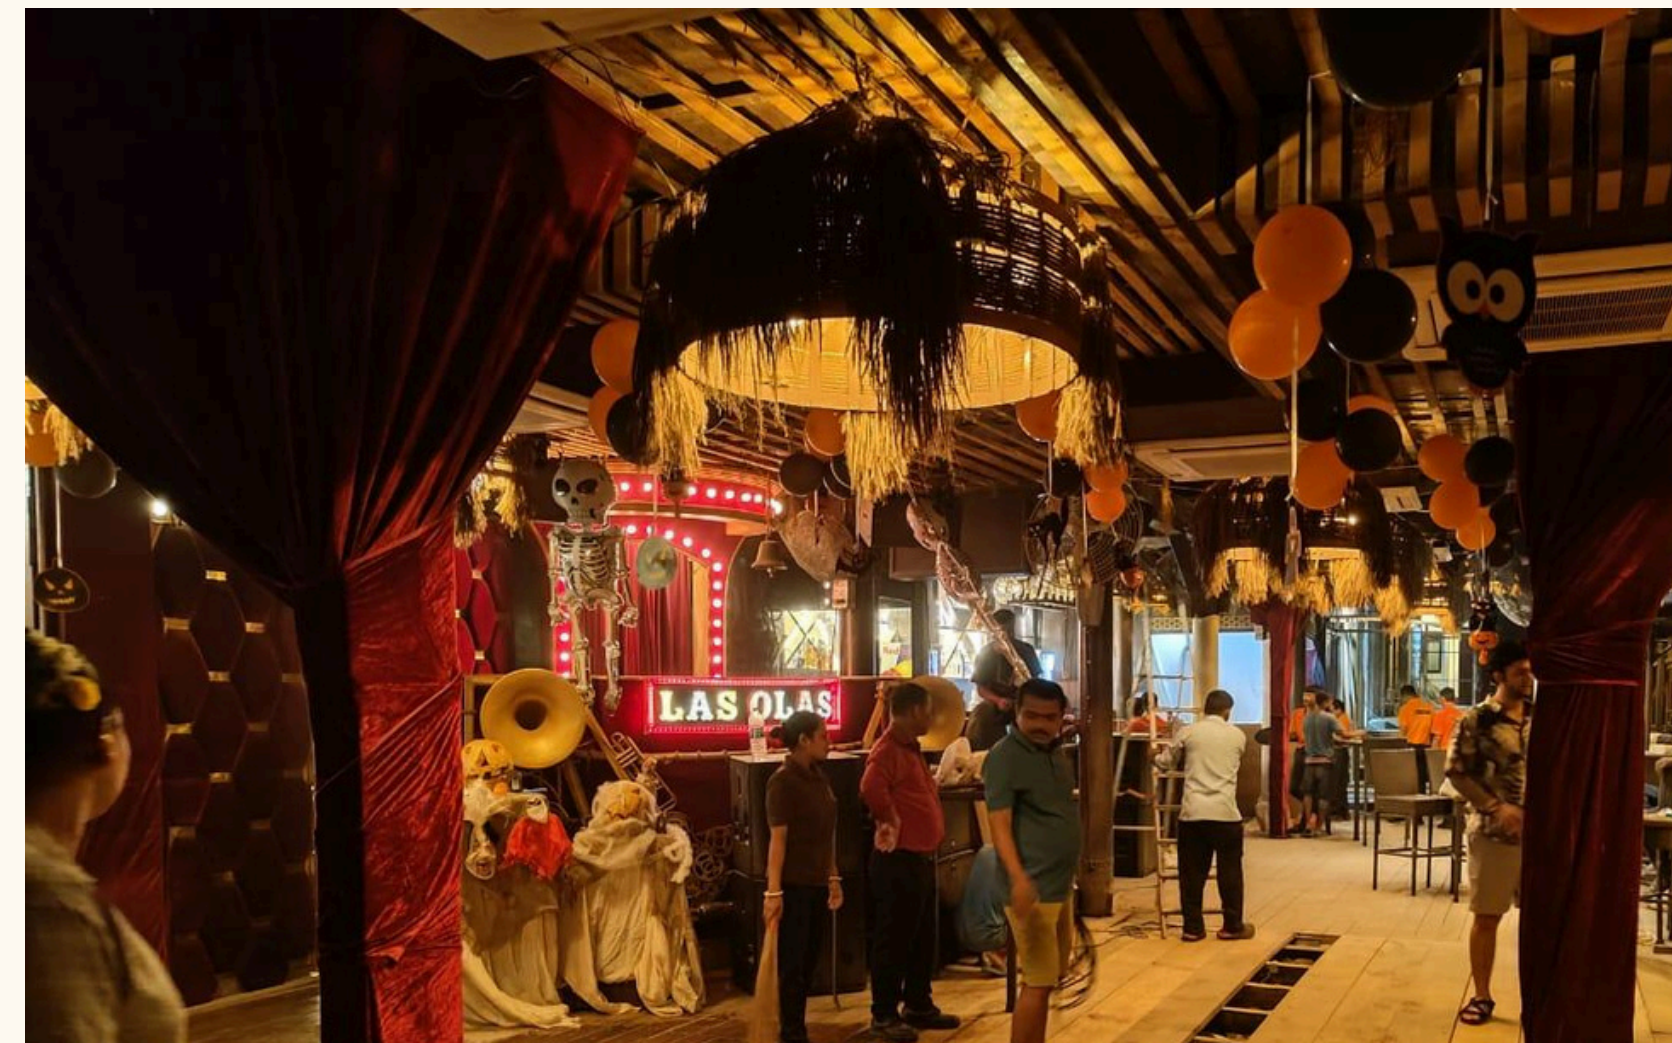

Project 'LAS OLAS' (GOA)

Project - 'IKIGAI'

This project centered on the design and creation of bespoke luxury furniture pieces, tailored to the unique vision and lifestyle of each client. Emphasizing exceptional craftsmanship, premium materials, and refined detailing, each piece was meticulously developed to embody elegance, exclusivity, and timeless design.

Project - 'CALM'

Project - 'SERENE'

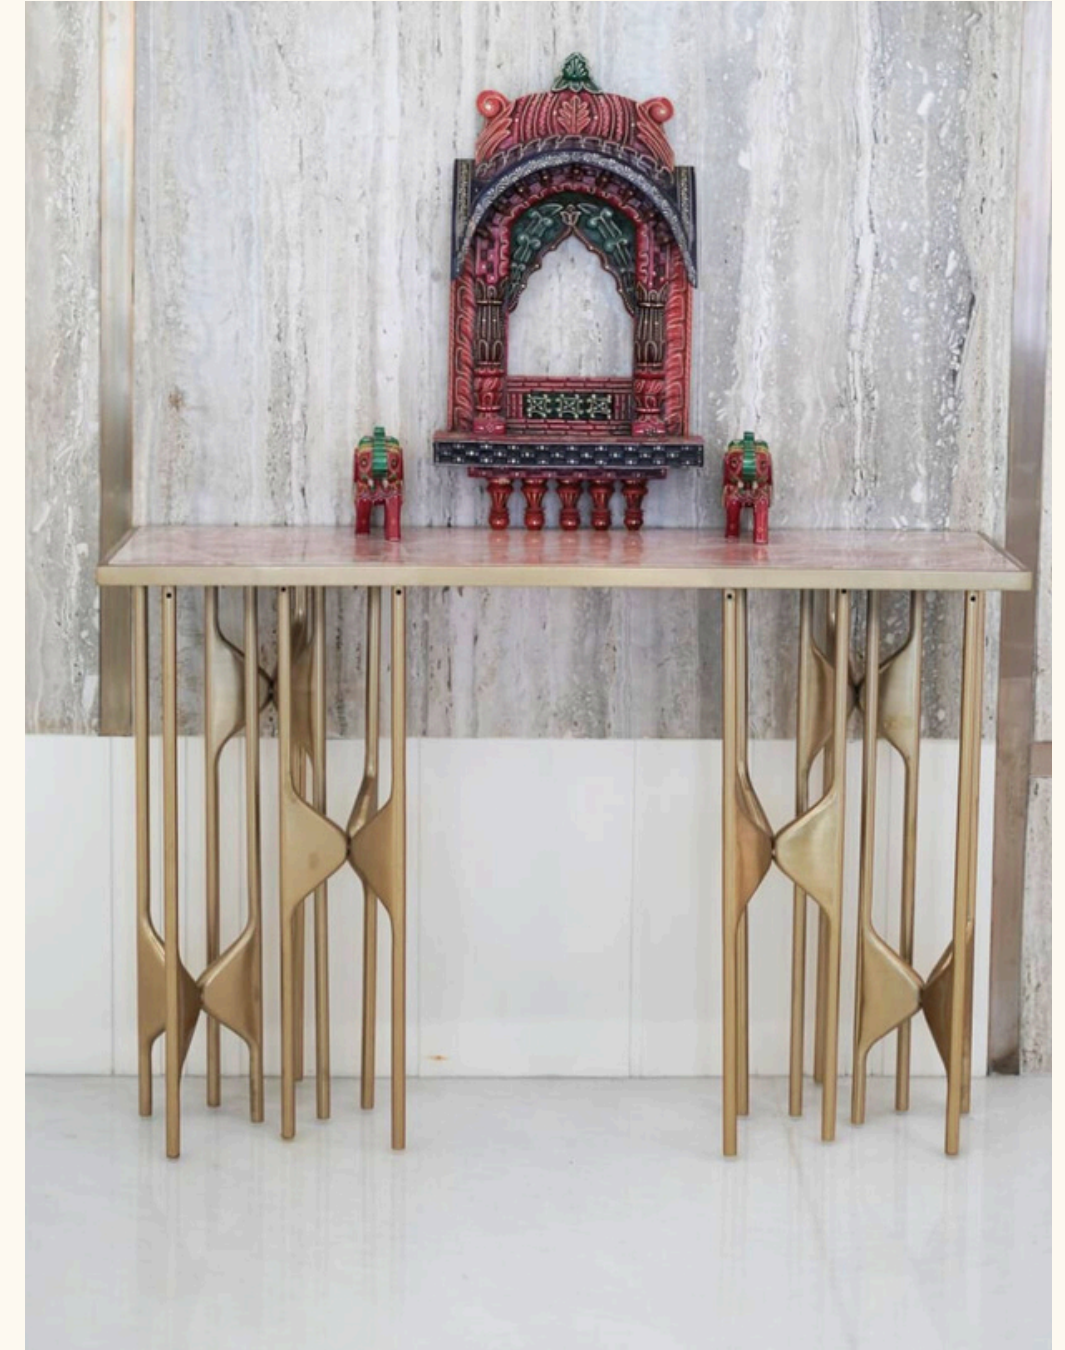

A thoughtfully curated project focused on simplicity and calm—featuring customized furniture pieces that emphasize soft tones, subtle textures, and a harmonious spatial flow.

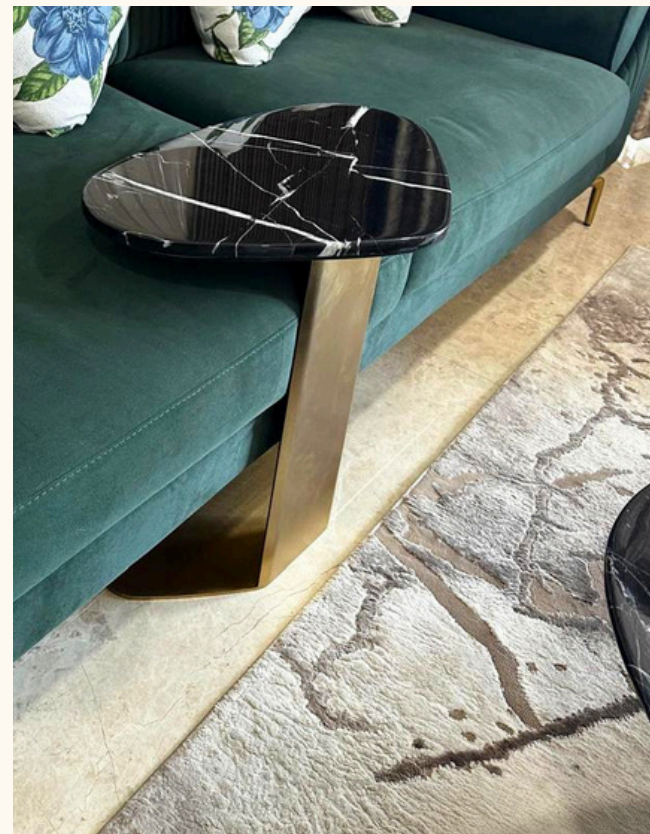

Project - 'CASA'

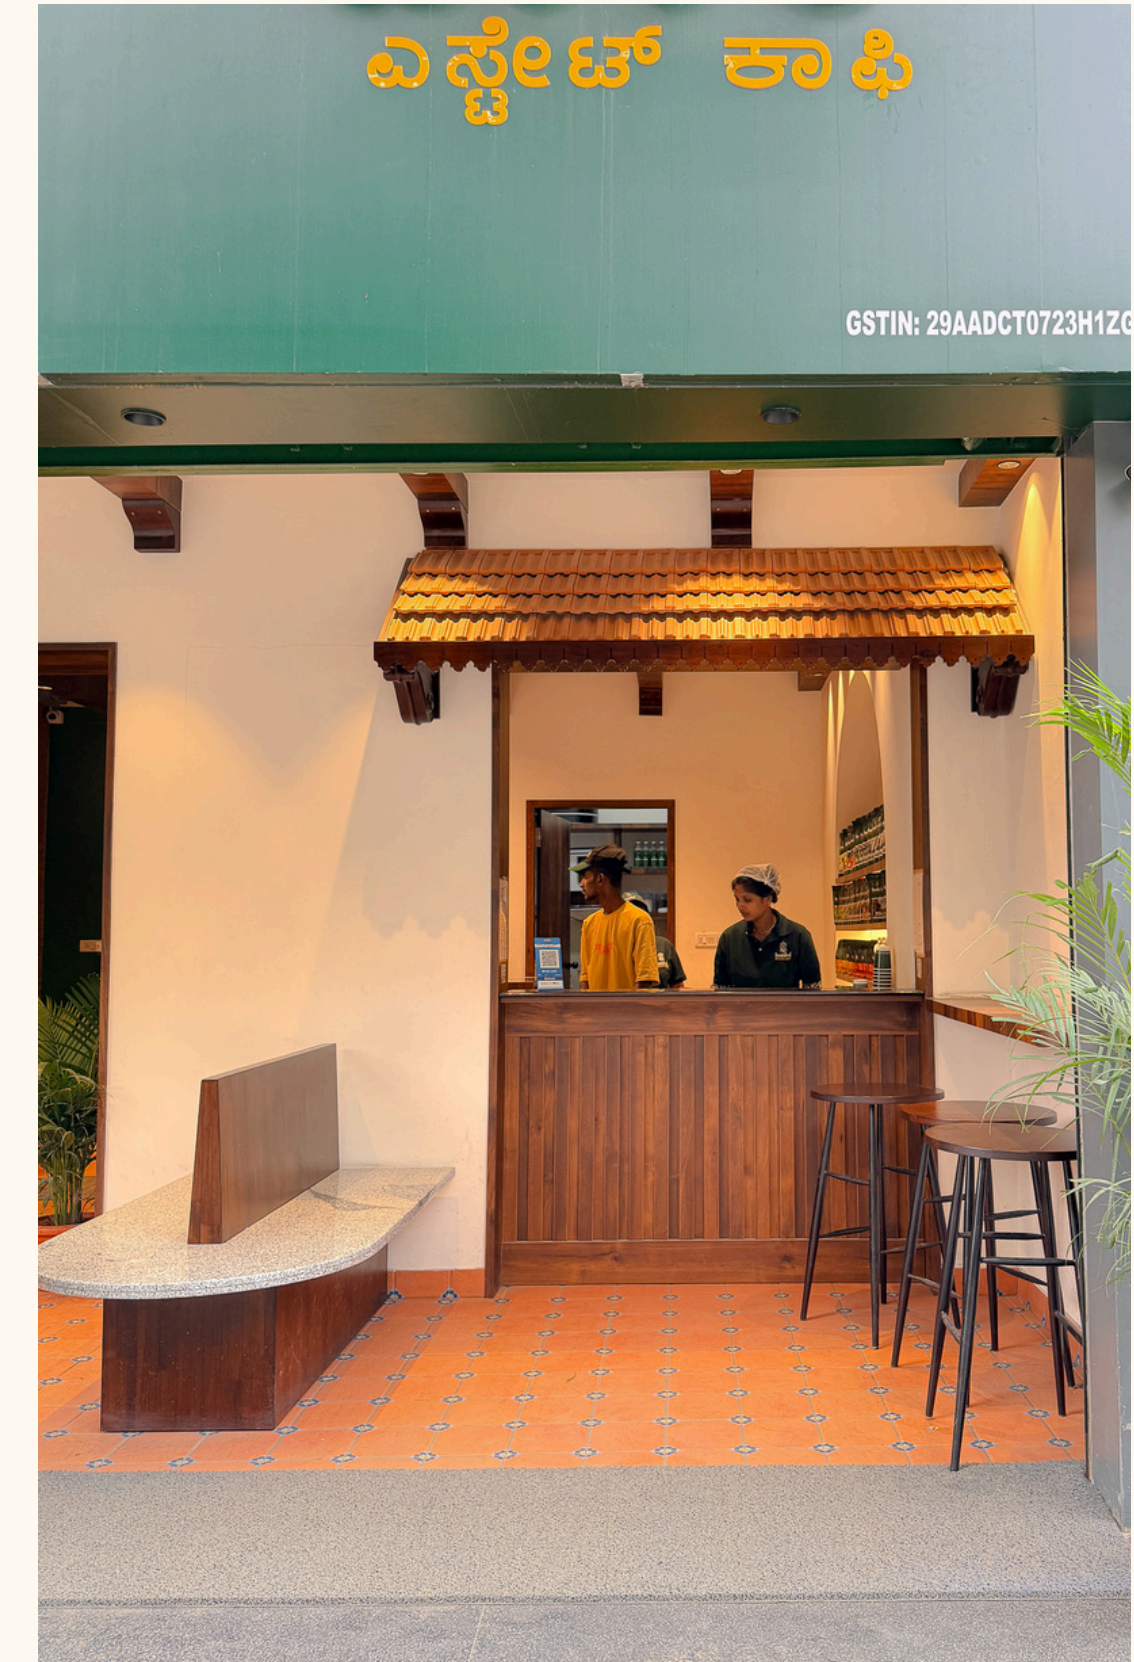

Project - 'NOIR'

Project - 'HUNKAL'

Project - 'BEADS BLISS'

OSIMIRI

Designed for your vision. Built with our expertise
